### PROFESSIONAL SUMMARY

Results-oriented Maintenance Machinist with 5 years of specialized experience in maintaining and repairing industrial machinery. Adept at diagnosing mechanical faults and executing repairs to enhance operational efficiency. My commitment to safety and quality ensures optimal performance and reliability in all tasks, consistently contributing to team success and production targets.

### WORK EXPERIENCE

**Maintenance Machinist** Mar / 2021-Ongoing  
Blue Sky Innovations Chicago, IL

- 1. Performed welding and mechanical repairs on various industrial equipment to ensure operational readiness.
- 2. Utilized hand tools, power tools, and testing devices for efficient maintenance tasks.
- 3. Conducted regular inspections and performance checks to identify machinery issues proactively.
- 4. Collaborated with engineering teams to optimize equipment layouts and processes.
- 5. Maintained accurate records of repairs, parts used, and service schedules.
- 6. Implemented safety protocols to uphold workplace safety standards.
- 7. Participated in continuous improvement initiatives to enhance operational efficiency.

**Maintenance Machinist** Mar / 2020-Mar / 2021  
Lakeside Apparel Co Chicago, IL

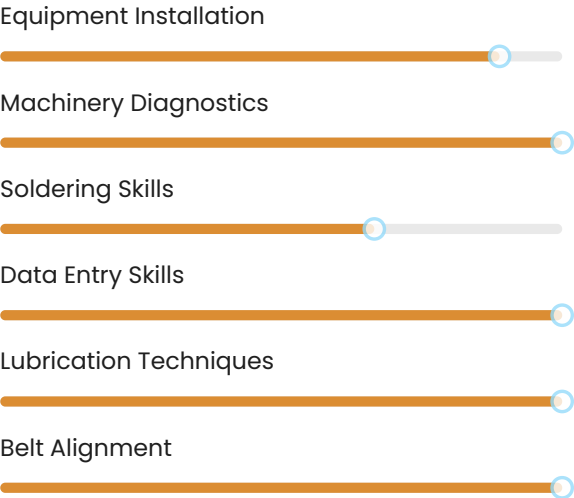

- 1. Operated manual lathes, mills, and grinders to fabricate and repair machine components.
- 2. Interpreted blueprints and technical drawings to execute machining tasks accurately.
- 3. Managed assembly line processes for aluminum production, ensuring quality control.
- 4. Executed heat treating processes to enhance material durability.
- 5. Utilized hydraulic and manual presses for precise component shaping.
- 6. Assisted in the training of new machinists in operational best practices.

### EDUCATION

**Associate of Applied Science in Industrial Maintenance** Mar / 2019 - Mar / 2020  
Tech State College Denver, CO

Focused on mechanical systems, maintenance procedures, and safety standards.
