### ACHIEVEMENTS

★ Achieved a 20% increase in equipment reliability through systematic maintenance protocols.

★ Reduced operational downtime by 15% by implementing efficient troubleshooting procedures.

### PROFESSIONAL SUMMARY

Innovative Lead Marine Technician with 7 years of extensive experience in marine operations and technical oversight. Expertise in maintaining and optimizing marine equipment, ensuring safety protocols, and leading cross-functional teams. Committed to enhancing operational efficiency and driving technological advancements in maritime environments.

### WORK EXPERIENCE

#### Lead Marine Technician

📅 Jun / 2021-Ongoing

📍 Chicago, IL

Blue Sky Innovations

1. Conducted thorough inspections and maintenance of marine equipment, ensuring compliance with safety standards.
2. Developed and implemented training programs for new technicians on marine systems and safety protocols.
3. Managed technical projects focused on equipment upgrades and operational improvements.
4. Collaborated with cross-functional teams to optimize marine operations and enhance service delivery.
5. Utilized diagnostic tools to troubleshoot and resolve technical issues effectively.
6. Ensured meticulous record-keeping of maintenance activities and equipment performance.
7. Promoted a culture of safety and efficiency within the team, leading to improved operational outcomes.

#### Marine

📅 Jun / 2018-Jun / 2021

📍 Phoenix, AZ

Cactus Creek Solutions

1. Ensured compliance with maritime regulations and internal policies for safety and efficiency.
2. Supervised a team of technicians, fostering professional development and technical skill enhancement.
3. Communicated effectively with stakeholders to report on project progress and safety concerns.
4. Streamlined workflows to improve productivity and reduce operational costs.
5. Managed inventory and procurement of marine equipment and supplies.
6. Conducted regular safety audits and risk assessments to identify and mitigate potential hazards.

### EDUCATION

#### Bachelor of Science in Marine Technology

📅 Jun / 2015-Jun / 2018

📍 Seattle, WA

Coastal University

Studied marine engineering principles, focusing on equipment maintenance and operational safety.
