PROFESSIONAL SUMMARY

Dynamic Material Control Specialist with two years of experience in streamlining inventory processes and enhancing materials management. Proficient in implementing effective tracking systems that support compliance and operational efficiency. Eager to leverage analytical skills to optimize material flow and contribute to project success.

WORK EXPERIENCE

Material Control Specialist

📅 Apr / 2024-Ongoing

WidgetWorks Inc.

📍 Denver, CO

1. Recommended the adoption of a standardized Internal Purchase Order system to enhance accountability in material movements.
2. Proposed the integration of digital signatures in material request processes to expedite workflows and improve tracking.
3. Suggested a stockage level-based purchasing policy to facilitate cyclical ordering and reduce excess inventory.
4. Analyzed current material movement processes to identify gaps in accountability and tracking.
5. Collaborated with cross-functional teams to streamline supply chain operations.
6. Conducted training sessions on new inventory management protocols for staff.
7. Monitored compliance with safety standards to ensure a secure working environment.

Material Control Specialist

📅 Apr / 2023-Apr / 2024

Summit Peak Industries

📍 Denver, CO

1. Maintained compliance with OSHA safety standards through regular warehouse inspections.
2. Organized and stored materials efficiently to optimize space and accessibility.
3. Processed shipments by accurately loading and unloading goods.
4. Maintained detailed stock records to ensure inventory accuracy.
5. Supervised the organization of materials in the stockyard to enhance retrieval efficiency.
6. Coordinated shipping assignments using a centralized database to streamline operations.

EDUCATION

Bachelor of Science in Logistics

📅 Apr / 2022-Apr / 2023

State University

📍 Phoenix, AZ

Focused on supply chain management, inventory control, and logistics operations.
