PROFESSIONAL SUMMARY

Results-oriented Middle School Math Teacher with 10 years of experience dedicated to transforming students' mathematical understanding. Proficient in utilizing innovative teaching strategies and data analysis to tailor instruction, ensuring each student's success. Passionate about fostering a collaborative and inclusive classroom that encourages critical thinking and academic growth.

WORK EXPERIENCE

Middle School Math Teacher

Feb / 2018-Ongoing

Maple Leaf Consulting

Toronto, ON

1. Collaborate with 6th, 7th, and 8th-grade students and parents to promote academic success, providing tailored feedback and support.
2. Elevated standardized test scores from 1.7 to over 27.5 by analyzing student data to inform instructional strategies.
3. Conducted pre-assessments to identify gaps in understanding, delivering targeted instruction on expressions and equations.
4. Contributed to the school improvement team, developing new programs to enhance curriculum and address safety concerns.
5. Utilized survey data to recommend policy changes, such as establishing a homework help center and adjusting schedules for better instructional support.
6. Coached various sports teams, employing data analysis to enhance performance and develop strategic training plans.
7. Leveraged Excel and Tableau to analyze game data, sharing insights with coaches to refine strategies.

Laborer

Feb / 2015-Feb / 2018

Silver Lake Enterprises

Seattle, WA

1. Facilitated a collaborative learning environment, focusing on team-building and effective communication.
2. Implemented project-based learning initiatives to engage students in real-world problem solving.
3. Organized and led workshops for students to enhance their mathematical skills through interactive activities.
4. Developed and maintained a classroom culture that encourages student participation and respect.
5. Utilized technology tools to enhance lesson delivery and student engagement.
