WORK EXPERIENCE

Military Advisor

ABC Corporation - May 2013 - 2020

Responsibilities:

- Led and manage a staff of military advisors/base representatives at the various military bases in South Hampton Roads, interacting with the Navy College offices to ensure that programming at each location is adequate and appropriate, while meeting the service member's needs.
- Performed routine internal and external analysis of military, business, industry, and college needs to implement strategic planning.
- Built relationships with current and potential defense supportive businesses, industry, and organizations to develop, implement, and sustain military-related student initiatives.
- Worked with military-related partners and customers, including members from government, Department of Defense (DoD), Department of Homeland Security, (DHS), business, and industry to develop marketing materials, requests for proposals, grants, contracts and other opportunities in support of education and training initiatives throughout the college's service area and globally.
- Developed, implemented, and managed education and training projects and programs that provide for professional development from initiation to final program delivery, using current management practices and principles in a highly complex and team-oriented environment.
- Coordinated with the Director of Military and Veterans Services in the development of student support services at the various bases as provided by the military advisor/base representatives for students in credit and non-credit open enrollment and contract training programs.
- Coordinated and oversaw the TCC/ODU/NSU Army and Navy Reserve Officer Training Corps (ROTC) programs.
