PROFESSIONAL SUMMARY

With 10 years of robust experience as a Mill Operator, I specialize in optimizing milling operations and ensuring product quality. My expertise encompasses machinery operation, maintenance, and strict adherence to safety protocols, resulting in significant efficiency gains. I am passionate about contributing to a collaborative production environment and driving continuous improvement.

WORK EXPERIENCE

Mill Operator

📅 Feb / 2018–Ongoing

WidgetWorks Inc.

📍 Denver, CO

1. Formulated batches and set up California pellet mills for optimal production.
2. Monitored machinery performance and conducted routine maintenance during operations.
3. Executed cleanup and repairs of milling equipment between runs to ensure efficiency.
4. Documented all material usage and output metrics for accurate reporting.
5. Communicated discrepancies in raw materials to supervisors for immediate resolution.
6. Conducted moisture and durability tests for each batch to maintain quality standards.
7. Led training sessions for new hires to ensure operational competency.

Mill Operator

📅 Feb / 2015–Feb / 2018

Lakeside Apparel Co

📍 Chicago, IL

1. Operated and maintained multiple milling machines, producing thousands of tons of refined product in a 24/7 environment.
2. Oversaw facility operations during night shifts, ensuring continuous production to meet high demand.
3. Coordinated loading of refined products into 18-wheelers, ensuring quality service and documentation for drivers.
4. Performed quality assurance testing using chemical analyses to confirm product specifications.
5. Implemented comprehensive safety protocols, including PPE usage and lock-out/tag-out procedures.
6. Mitigated workplace hazards through proactive safety measures, reducing injury risks.

EDUCATION

Associate of Applied Science in Industrial Technology

📅 Feb / 2012 – Feb / 2015

Tech Institute of America

📍 Chicago, IL

Focus on machinery operation, maintenance, and safety protocols.
