ACHIEVEMENTS

★ Reduced machinery downtime by 25% through proactive maintenance schedules.

★ Successfully led a team in the installation of a new production line, improving output by 15%.

PROFESSIONAL SUMMARY

Skilled Millwright with 7 years of experience specializing in the installation, maintenance, and repair of industrial machinery. Adept at diagnosing issues and implementing effective solutions to enhance equipment performance and reliability. Passionate about safety and committed to delivering high-quality results in fast-paced environments.

WORK EXPERIENCE

Millwright

📅 Apr / 2021-Ongoing

Blue Sky Innovations

📍 Chicago, IL

1. Assisted in the setup and operation of machinery, ensuring optimal performance for various drilling operations.
2. Performed routine maintenance on pumps, compressors, and other mechanical systems to meet design specifications.
3. Executed teardown of outdated structures and prepared sites for new machinery installation.
4. Collaborated with team members to fabricate and install production line machinery, enhancing manufacturing efficiency.
5. Maintained proper fluid levels and mud systems for drilling operations, ensuring safety and efficiency.
6. Conducted inspections and adjustments on rotating equipment to minimize wear and extend machinery lifespan.
7. Trained new employees on equipment operation and maintenance protocols to promote a safety-first culture.

Millwright

📅 Apr / 2018-Apr / 2021

Summit Peak Industries

📍 Denver, CO

1. Monitored and analyzed the condition of rotating machinery, utilizing parameters like vibration and temperature for maintenance planning.
2. Executed precise alignments and adjustments on bedplates to ensure optimal machinery operation.
3. Dismantled and repaired machinery components using various hand tools and power equipment.
4. Installed moving parts and subassemblies meticulously to guarantee seamless operations.
5. Operated and maintained hoisting equipment, ensuring safe and efficient material handling.
6. Facilitated the movement of heavy machinery using dollies and hoists, optimizing workflow.

EDUCATION

Associate of Applied Science in Industrial Maintenance

📅 Apr / 2015 - Apr / 2018

Technical College of the West

📍 Chicago, IL

Focused on practical skills in maintenance, repair, and operation of industrial machinery.
