Mobile Developer

SUMMARY

Hardworking, highly proficient Mobile Developer with over 3 plus years experience and a real passion for mobile application development. Readily embracing cutting-edge technology, I have gained an in-depth understanding of the main mobile platforms and recognize the subtle differences between each. Having helped develop a series of commercially successful apps on iOS, Android. I am seeking a new opportunity that will allow me to further expand on these skills.

SKILLS

C++, Java, Javascript, Ruby On Rails, Linux, Python, SQL, TCP/IP, Git, Visual Studio, MySQL, Hadoop

WORK EXPERIENCE

Mobile Developer

Bridgera LLC - September 2017 - Present

- Collaborating with the product management, marketing, designers, and technology and architecture teams.
- Working in a rapid pace environment with the ability to juggle multiple projects.
- Enjoying the learning about our customers and our businesses.
- Designing and building the advanced applications for the Android platform
- Working with outside data sources and APIs
- Unit-testing the code for robustness, including edge cases, usability, and general reliability.
- Continuously discovering, evaluating, and implementing the new technologies to maximize development efficiency

Mobile Developer

ABC Corp - 2015 - 2017

- Constructed mock app modules to ensure the customer is satisfied before proceeding to next module.
- Used specific XML schema for apps (Bluetooth low energy) BLE profile, and used core Bluetooth framework APIs for the app to connect different devices of Apple.
- Implemented table view controller and made customized table view cells according to the client.
- Embedded several views modally and in push view controller with custom sliding animations.
- Successfully developed a faster browser than google chrome on android.
- Developed client/server interaction with Node.js and Java. Delivered ranking/scoring system, game modes, etc.
- Collaboratively contributed to the agile development of an android mobile application through GIT.

EDUCATION

Bachelor Of Science - 2013 to June 2017(Full Sail University)
