

OLIVIA SMITH

Senior Mold Operator

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Seasoned Mold Operator with 7 years of comprehensive experience in advanced molding processes and machinery maintenance. Expertise in enhancing production efficiency, troubleshooting mold issues, and leading teams to meet stringent quality standards. Passionate about driving continuous improvement and fostering a culture of safety in fast-paced manufacturing environments.

WORK EXPERIENCE

Senior Mold Operator

Quantum Solutions LLC

📅 Apr / 2020-Ongoing

📍 Phoenix, AZ

1. Operated and maintained multiple molding machines to ensure optimal performance and quality outputs.
2. Streamlined production processes, achieving consistent output targets while maintaining safety standards.
3. Identified and resolved nonconformance issues, ensuring compliance with quality specifications.
4. Conducted regular inspections and maintenance of equipment to minimize downtime.
5. Trained and mentored new operators in machine operation and safety protocols.
6. Maintained a clean and organized work environment, adhering to 5S principles.
7. Collaborated with quality control to ensure adherence to production specifications.

Mold Operator

Crescent Moon Design

📅 Apr / 2018-Apr / 2020

📍 Portland, OR

1. Managed the weighing and cutting of fiberglass for molding bath products, ensuring accurate specifications.
2. Trimmed excess plastic from finished products to meet quality standards.
3. Inspected and repaired defects in molded products, enhancing overall quality.
4. Oversaw the packing process, ensuring timely and accurate shipment of products.
5. Monitored temperature and production metrics to optimize molding processes.
6. Operated mold dryers and assisted in the production of high-quality molded parts.

EDUCATION

Associate of Applied Science in Manufacturing Technology

Technical College of City

📅 Apr / 2016-Apr / 2018

📍 Toronto, ON

Focused on manufacturing processes, machine operation, and quality control.
