

# Robert Smith

## Music Tutor

### PERSONAL STATEMENT

To fill an entry-level position at an organization where my organizational and technical skills can be best utilized, whilst also offering professional experience. As a college student, I would like to assume a role that offers relevant work force experience whilst also allowing me time to pursue my studies.

### WORK EXPERIENCE

#### Music Tutor

**ABC Corporation - 2020 - 2022**

*Responsibilities:*

- Taught instruments such as the cello which i have been playing for 8 years.
- Taught basic guitar and like intro to guitar sessions to younger kids who wanted to learn to play.
- Taught kids how to produce music because i made a studio room in my house and i produce beats but i need a more steady income and also there is no better feeling then actually playing an instrument.
- Made some money here and then but would get frustrated because of the income was no where near steady enough i would maybe make 30 a month or so.
- Learned teaching methods and how to explain things so that kids can understand i also learned how to explain things to adults(the parents of the kids i taught) so i feel like that has ultimately prepared me for this job.
- Able to explain clearly Able to communicate with anyone learned teaching skills gathered a passion for watching other people learn a new instrument or part of a song.
- Able to show compassion and understanding.

#### Music Tutor

**Delta Corporation - 2006 - 2011**

*Responsibilities:*

- Hands on experience with explaining and solving difficult problems and working with students.
- Skilled in musical matters.
- Assist students with music guidance and advise to advance students musicianship.
- Tutored fellow Cal Poly students in various music subjects.
- Put together workshops for students before midterm and final exams.
- Gave classroom presentations to students.
- But i guess the biggest accomplishment wasnt what i took away in my pocket its what i learned.
