PROFESSIONAL SUMMARY

Experienced Network Consultant with a decade of expertise in architecting, deploying, and optimizing complex networking solutions. Adept at enhancing security and performance across diverse infrastructures while ensuring compliance with industry standards. Passionate about delivering tailored strategies that drive client success and operational efficiency.

WORK EXPERIENCE

Network Consultant 📅 Apr / 2019-Ongoing
Quantum Solutions LLC 📍 Phoenix, AZ

1. Designed and implemented scalable network infrastructure for clients ranging from SMBs to large enterprises.
2. Conducted thorough assessments and diagnostics to identify network issues and propose effective solutions.
3. Developed detailed documentation and Visio diagrams for network architecture and security protocols.
4. Presented technical proposals to C-level executives, securing buy-in for major network projects.
5. Delivered training sessions on network best practices and technologies to client teams.
6. Managed major upgrades, including Windows Server and Oracle installations, enhancing system functionality and performance.
7. Oversaw the addition of servers and software upgrades, ensuring seamless integration with existing systems.

Network Consultant 📅 Apr / 2015-Apr / 2019
Lakeside Apparel Co 📍 Chicago, IL

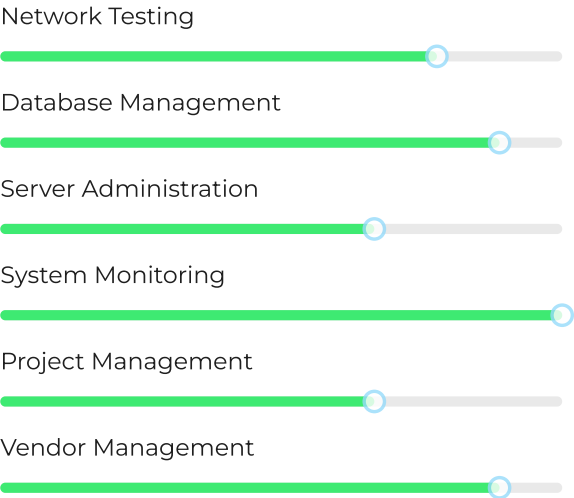

1. Built and repaired customized computers and networks, including comprehensive wireless solutions.
2. Provided training on hardware and software installations, ensuring clients maintained secure and efficient systems.
3. Integrated and tested new routing, switching, and voice technologies to enhance network capabilities.
4. Created a multi-platform training environment for staff, optimizing resource utilization while minimizing costs.
5. Facilitated team development to meet specific client needs, maximizing productivity and efficiency.
6. Conducted interviews and team-building activities, fostering a collaborative work environment.

EDUCATION

Bachelor of Science in Information Technology 📅 Apr / 2012 - Apr / 2015
University of Technology 📍 Seattle, WA

Focused on network infrastructure, cybersecurity, and system administration.
