Night Stocker

ABC Corporation - 2009 - 2014

Responsibilities:

- Each day we unloaded pallets of freight which contained the products that were sold in the store.
- We then organized the products onto carts based on the products location in the store, and then we worked the products to the shelf to fill holes left by customer purchases and to maintain a well stocked store.
- All left over freight which could not fit on the shelf was then organized and put away in designated locations in the back warehouse area of the store.
- Helping and communicating with the public was also one of my responsibilities.
- While in my position i maintained the fastest stocking numbers per week then all the other stockers based on items worked to the shelf per hour.
- Also received several positive customer comments.
- Skills Used I demonstrated; a strong and professional work ethic, the ability to work well with a variety of different people, the ability to help and communicate with the public while maintaining a friendly and patient attitude, the ability to learn more and improve at my job over time..
