👤 PROFESSIONAL SUMMARY

Accomplished Nurse Clinician with 7 years of extensive experience in providing exceptional patient care across various clinical settings. Proficient in implementing evidence-based practices, developing comprehensive care plans, and collaborating with interdisciplinary teams to enhance patient outcomes. Dedicated to fostering a healing environment and mentoring peers to elevate nursing standards.

💻 WORK EXPERIENCE

Nurse Clinician

📅 Jun / 2020-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Coordinated comprehensive care for cardiac and thoracic surgical patients from admission through discharge, enhancing recovery outcomes.
2. Conducted thorough pre-operative assessments and educated patients on surgical procedures.
3. Wrote and managed pre-operative orders, performing daily rounds to monitor ICU and telemetry patients.
4. Facilitated effective discharge planning, ensuring continuity of care through detailed discharge summaries.
5. Responded to patient triage calls in clinic settings, addressing concerns and improving patient engagement.
6. Represented surgical teams at multiple hospitals, providing critical support during on-call duties.
7. Collaborated with nursing staff to implement best practices, significantly improving patient outcomes.

Nurse Clinician

📅 Jun / 2018-Jun / 2020

Crescent Moon Design

📍 Portland, OR

1. Provided specialized infusion therapies and nursing services to patients in their homes, ensuring personalized care delivery.
2. Executed direct and indirect skilled nursing care based on a modified primary nursing approach.
3. Performed comprehensive patient assessments and developed tailored plans of care in collaboration with healthcare teams.
4. Ensured timely documentation of patient care activities, maintaining high standards of quality and compliance.
5. Communicated effectively with service center personnel and physicians to ensure continuity and quality of care.
6. Planned daily activities based on patient needs, demonstrating strong organizational and prioritization skills.

🎓 EDUCATION

Bachelor of Science in Nursing

📅 Jun / 2016-Jun / 2018

University of Health Sciences

📍 Chicago, IL

Completed rigorous coursework in nursing theory and clinical practice.
