### PROFESSIONAL SUMMARY

Empowering Nursing Educator with 5 years of experience in clinical education and curriculum development. Committed to enhancing nursing competencies through innovative teaching strategies and evidence-based methodologies. My passion for fostering engaging learning environments drives the continuous improvement of nursing practice and ultimately enhances patient care outcomes.

### WORK EXPERIENCE

#### Nursing Educator

Pineapple Enterprises

📅 Mar / 2022-Ongoing  
📍 Santa Monica, CA

1. Conducted orientation sessions for new nursing staff and aides, ensuring a smooth transition into clinical practice.
2. Developed and implemented curriculum content in collaboration with the Dean of Nursing to meet educational standards.
3. Instructed nursing students while facilitating discussions on professional guidelines and best practices.
4. Evaluated literature on patient compliance post-transplant, identifying key factors for effective education.
5. Facilitated group discussions on strategies to improve long-term patient outcomes through education.
6. Enhanced classroom experiences by utilizing exam-style questions to prepare students for real-world scenarios.
7. Ensured adherence to course curriculum while employing effective classroom management techniques.

#### Nursing Educator

Cactus Creek Solutions

📅 Mar / 2020-Mar / 2022  
📍 Phoenix, AZ

1. Designed engaging instructional materials and resources to support diverse learning needs.
2. Assisted in the evaluation of student performance through formative and summative assessments.
3. Collaborated with interdisciplinary teams to enhance educational programs and clinical experiences.
4. Provided mentorship and guidance to nursing students, fostering their professional development.
5. Organized and led professional development workshops for faculty to enhance teaching methodologies.
6. Utilized simulation-based learning to improve clinical competencies among nursing students.
