### 💼 WORK EXPERIENCE

#### Outdoor Educator Coordinator

📅 May / 2021-Ongoing

Blue Sky Innovations

📍 Chicago, IL

1. Designed and implemented engaging outdoor programs, ensuring a safe learning environment for all participants.
2. Guided students through various outdoor activities, including canoeing, hiking, and gardening, in alignment with educational standards.
3. Provided emotional support to students during outdoor experiences, fostering resilience and independence.
4. Collaborated with educators to maintain academic and behavioral standards in outdoor settings.
5. Established clear communication channels with parents and staff to relay important program updates and regulations.
6. Authored articles for local newsletters, promoting program visibility and community involvement.
7. Documented meeting minutes and proposals, enhancing organizational efficiency and communication.

#### Outdoor Educator

📅 May / 2018-May / 2021

Silver Lake Enterprises

📍 Seattle, WA

1. Instructed and engaged groups of 13+ students in science and humanities through hands-on outdoor lessons.
2. Led skill-building activities like rock climbing, archery, and team-building exercises, promoting teamwork and confidence.
3. Developed lesson plans that integrated outdoor education with core academic subjects.
4. Facilitated high ropes courses and team-building sessions, enhancing group dynamics and personal growth.
5. Collaborated with colleagues to create educational activities aligned with state science standards.
6. Educated students on environmental stewardship through hands-on projects using recycled materials.

### 🎓 EDUCATION

#### Bachelor of Science in Environmental Education

📅 May / 2015    May / 2018

University of Michigan

📍 Portland, OR

Focused on teaching methodologies and outdoor education practices.
