### 🏆 ACHIEVEMENTS

🌟 Improved packaging efficiency by 20% through process optimization and staff training.

🌟 Reduced packaging waste by 15% by implementing sustainable practices and materials.

🌟 Streamlined the packaging process by introducing automated machinery, which increased production speed by 20% and reduced labor costs.

### 👤 PROFESSIONAL SUMMARY

Innovative Packaging Supervisor with over 7 years of experience in the pharmaceutical sector, known for developing and implementing packaging solutions that enhance product safety and compliance. Proven ability to lead teams through complex projects, achieving on-time delivery and exceeding quality benchmarks. Expertise in regulatory requirements and quality assurance processes, ensuring all packaging operations meet industry standards.

### 💻 WORK EXPERIENCE

#### Packaging Supervisor II

📅 Dec / 2019–Ongoing

Seaside Innovations

📍 Santa Monica, CA

1. Oversaw the setup and operation of packaging machinery, ensuring efficient production of packaged goods while adhering to quality standards.
2. Managed production schedules to meet tight deadlines, maximizing team performance and output.
3. Supervised packaging teams, ensuring adherence to safety protocols and quality assurance measures.
4. Developed and implemented daily operational plans, optimizing equipment use and manpower allocation.
5. Identified and resolved production issues, including equipment malfunctions and quality discrepancies, to maintain operational continuity.
6. Trained and mentored staff on best practices in packaging operations, fostering a culture of continuous improvement.
7. Oversaw the successful launch of a new product line, ensuring packaging met all regulatory requirements and was delivered on time.

#### Packaging Supervisor

📅 Dec / 2017–Dec / 2019

Cactus Creek Solutions

📍 Phoenix, AZ

1. Supervised a team of 10 employees in the packaging department, ensuring timely and accurate packaging of products for distribution.
2. Coordinated logistics for domestic and international shipments, optimizing delivery schedules and reducing costs.
3. Maintained compliance with packaging regulations and standards, ensuring product safety and quality.
4. Utilized various packaging materials and techniques, including stretch wrapping and palletizing, to enhance product protection during transit.
5. Conducted regular training sessions on packaging best practices and safety protocols, improving team performance and reducing incidents.

### 🎓 EDUCATION

#### Bachelor of Science in Packaging

📅 Dec / 2015–Dec / 2017

Michigan State University

📍 Portland, OR

Focused on packaging design, materials science, and production processes.
