PROFESSIONAL SUMMARY

Proficient Paint Prepper with 10 years of experience in surface preparation and refinishing. Expert in sanding, masking, and priming to achieve flawless finishes. Dedicated to maintaining high safety standards and optimizing workflow efficiency. Ready to leverage my extensive skills to enhance quality and productivity in a fast-paced environment.

WORK EXPERIENCE

Paint Prepper
WidgetWorks Inc. Mar / 2019-Ongoing
Denver, CO

- Executed comprehensive surface preparations, including taping, filling cracks, and sanding for optimal paint adhesion.
- Corrected paint surfaces and ensured cleanliness of tools and work areas.
- Managed the preparation of parts, including sanding, masking, and cleaning prior to painting.
- Utilized various techniques such as priming and blocking to deliver high-quality finishes.
- Collaborated with supervisors to optimize workflow and maintain a safe working environment.
- Adapted to various tasks, including climbing ladders and using specialized equipment to complete jobs.
- Maintained a consistent work schedule, contributing to team productivity and project timelines.

Paint Prepper
Crescent Moon Design Mar / 2015-Mar / 2019
Portland, OR

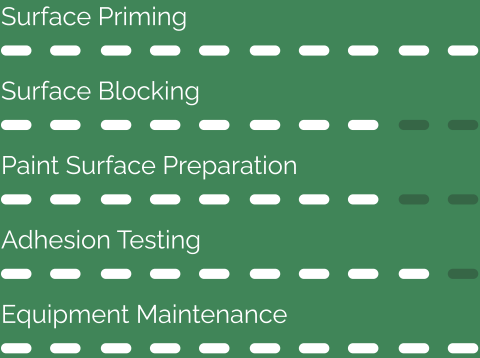

- Assessed and prepared damaged areas for painting, effectively removing rust and grease while masking non-paint areas.
- Matched paint colors accurately to achieve seamless blends in refinishing projects.
- Applied paint with precision using sprayers and brushes, ensuring high-quality finishes.
- Adhered to factory and dealership guidelines during warranty work to maintain compliance.
- Operated equipment safely within the Collision Center, following established safety protocols.

EDUCATION

Associate of Applied Science in Automotive Refinishing
ABC Technical College Mar / 2012 - Mar / 2015
Santa Monica, CA

Focused on advanced techniques in automotive paint application and surface preparation.
