Objective

use my skills in order to provide quality patient care as nurse continue to increase knowledge through work and education.

Skills

I Possess Effective And Compassionate Communication.

Work Experience

Pediatric Home Health Nurse

ABC Corporation - August 2010 - December 2010

- I provided critical care for two patients.
- One patient was a Cerebral Palsy patient with tracheostomy and RDS.
- second patient was born prematurely at 28 weeks.
- He was ventilator dependent with multiple severe medical problems.
- Provided skilled nursing ADLs to both of these patients.
- documentation of care was for medicaid insurance which was new for and helped me develop more concise yet detailed nursing notes.
- Developed more acute assessment skills both patients prevent emergency situations.

Pediatric Home Health Nurse

Delta Corporation - 2006 - 2010

- Pediatric Home Healthcare -Trach.
- care, wound care, vitals, respiratory care, medication delivery, charting, scheduling appts. and procedures.
- Provide skilled home health care to medically compromised pediatric patients such as G-tube, Trach and wound care.
- Perform complete assessments on patients during each shift Administer medications indicated by patients Medication administration record.
- Complete ADLs for patients such as bathing, brushing hair/teeth, dressing the patient and transferring from bed to wheelchair.
- Direct Patient Care Nurse.

Education

Associate of Science in Nursing - (University of Arkansas at Little Rock - Little Rock, AR)
