ACHIEVEMENTS

★ Improved patient satisfaction scores by 20% through effective communication and education.

★ Successfully managed immunization schedules for over 100 pediatric patients.

PROFESSIONAL SUMMARY

Passionate Pediatric LPN with 2 years of hands-on experience in pediatric healthcare. Proficient in medication administration, patient assessment, and delivering education to families. Adept at addressing diverse patient needs while maintaining compliance with health regulations. Focused on fostering a supportive and caring environment for children and their families.

WORK EXPERIENCE

Pediatric LPN

📅 May / 2024-Ongoing

Maple Leaf Consulting

📍 Toronto, ON

1. Managed patient flow to allow comprehensive education for families, ensuring understanding of care plans.
2. Informed patients of lab results and coordinated prescription refills under practitioner supervision.
3. Administered immunizations and provided wound care, enhancing patient safety and comfort.
4. Checked in 25-35 patients daily, performing EKGs, BP checks, and phlebotomy as needed.
5. Reviewed and evaluated medical records for accuracy and compliance with healthcare standards.
6. Ensured adherence to HIPAA regulations while managing sensitive patient information.
7. Documented patient interactions and outcomes to maintain high-quality care standards.

Pediatric LPN

📅 May / 2023-May / 2024

Crescent Moon Design

📍 Portland, OR

1. Triage patients in clinic and on calls; administer vaccinations and perform lab procedures.
2. Conduct vital checks, nebulizer treatments, and prepare children for physical or sick visits.
3. Provided specialized nursing care for children with chronic illnesses and disabilities.
4. Delivered direct care for special needs children, focusing on individualized health plans.
5. Managed tracheotomy and gastrostomy care for pediatric patients.
6. Reviewed medical documentation to ensure accuracy and compliance with health regulations.

EDUCATION

Practical Nursing Diploma

📅 May / 2022-May / 2023

Sunrise Nursing School

📍 Santa Monica, CA

Completed comprehensive training in pediatric nursing care, including clinical rotations in various healthcare settings.
