PROFESSIONAL SUMMARY

With two years as a Pharmacy Consultant, I specialize in medication therapy optimization and patient-centered care. My expertise lies in collaborating with healthcare teams to enhance medication adherence and ensure safety. I am dedicated to improving health outcomes through thorough medication reviews and evidence-based practices tailored to meet individual patient needs.

WORK EXPERIENCE

Pharmacy Consultant Mar / 2024-Ongoing
Maple Leaf Consulting Toronto, ON

- 1. Oversaw pharmacy benefit management services, ensuring compliance with Medicaid regulations.
- 2. Collaborated with the Pharmacy and Therapeutics Committee to develop clinical guidelines for medication authorization.
- 3. Reviewed and analyzed medication utilization reports to identify cost trends and improve patient outcomes.
- 4. Implemented pharmacy benefits programs in alignment with CMS regulations and state legislation.
- 5. Supported the Medicaid Fraud Control Unit by identifying and addressing billing discrepancies.
- 6. Conducted comprehensive audits of pharmacy services to enhance operational efficiency.
- 7. Facilitated communication between healthcare providers to resolve medication-related issues.

Pharmacy Consultant Mar / 2023-Mar / 2024
Lakeside Apparel Co Chicago, IL

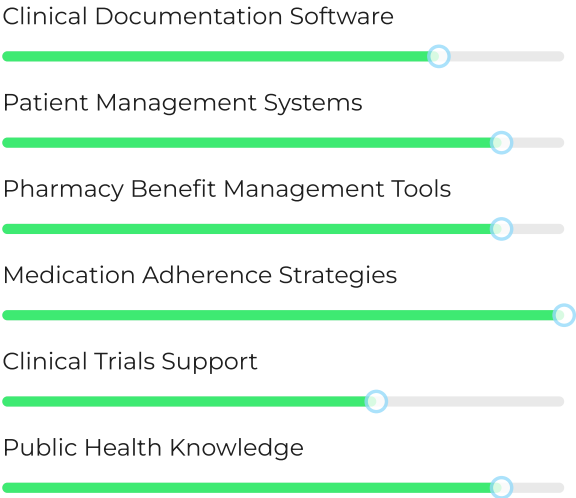

- 1. Managed project implementation for a new IV Infusion System, ensuring compliance with safety standards.
- 2. Provided clinical support during the sales process for advanced IV pump technologies.
- 3. Developed and refined policies and procedures for medication administration within healthcare settings.
- 4. Conducted continuous quality improvement analyses on infusion data for patient safety.
- 5. Monitored medication regimens for geriatric patients, ensuring appropriate therapeutic interventions.
- 6. Coordinated with interdisciplinary teams to enhance patient care strategies.

EDUCATION

Bachelor of Science in Pharmacy Mar / 2022-Mar / 2023
University of Health Sciences Santa Monica, CA
