### PROFESSIONAL SUMMARY

Bringing 10 years of expertise as a Powder Coat Painter, I specialize in applying durable finishes and ensuring quality control across various metal surfaces. My commitment to safety and process optimization drives efficiency and enhances product integrity. I thrive in collaborative environments, consistently delivering outstanding results while maintaining high standards.

### WORK EXPERIENCE

**Powder Coat Painter** Jan / 2018-Ongoing  
Seaside Innovations Santa Monica, CA

1. Operated and maintained both automatic and manual powder coating booths, ensuring high-quality finishes.
2. Executed meticulous surface preparation and cleaning protocols to enhance adhesion and durability of coatings.
3. Collaborated with team members to streamline production processes, improving overall efficiency.
4. Conducted regular inspections of finished products to ensure compliance with quality standards and specifications.
5. Utilized forklifts for material handling, ensuring safe and efficient transport of components.
6. Owned and operated a successful commercial powder coating business, managing all aspects of production.
7. Monitored and adjusted conveyor speeds and machine settings to optimize coating application.

**Powder Coat Painter** Jan / 2015-Jan / 2018  
Lakeside Apparel Co Chicago, IL

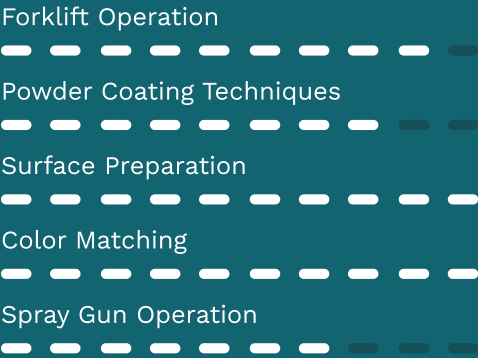

1. Performed manual painting and color changes, ensuring high standards of cleanliness and equipment maintenance.
2. Maintained wash booth chemicals, ensuring optimal conditions for surface preparation.
3. Inspected products for defects, including dents and corrosion, ensuring quality assurance.
4. Installed and calibrated electrical components in safes, enhancing functionality.
5. Managed production orders and inventory, streamlining operations for better efficiency.

### EDUCATION

**Associate of Applied Science in Industrial Technology** Jan / 2012 Jan / 2015  
Tech Valley Community College Phoenix, AZ

Focused on manufacturing processes and quality assurance techniques.
