## Pre K Lead Teacher

### SUMMARY

Pre K Lead Teacher who recognizes that the first few years of a child's life are highly informative and influential. I would like to use my creative way of thinking to influence each child using developmentally appropriate practices.

### SKILLS

First Aid And CPR Certified, Sign Language, Knowledge Of Child Care, State Requirements, Behavior Management, And HIPPA

### WORK EXPERIENCE

#### Pre K Lead Teacher

Goddard School - September 2014 - Present

- Planned and executed appropriate programs for the child's developmental level.
- Formulated lesson plans to the monthly and weekly theme to promote cognitive and small motor skills.
- Interacted with children on a regular basis and conduct informal assessments.
- Enhanced confidence, developmental, physical, and educational competence.
- Hands on experience in centers and practice phonetic awareness to help implement and enrich the theme of the week.
- Provided an environment where positive self-image and creative expression can be explored.
- Liaised with parents to provide feedback and discuss concerns and progress.

#### Pre K Lead Teacher

ABC Corp - November 2009 - September 2014

- Planned and provided daily small and large group instruction to pre-kindergarten students based on the needs.
- Implemented transitions and instructional activities to address the developmental needs of students.
- Monitored and recorded students progress and achievements, identifying areas in need of further development.
- Ensured proper care and upkeep of educational materials, equipment, and supplies.
- Implemented appropriate behavior management techniques and classroom discipline.
- Interacted with children and families to gain trust, confidence and provide a positive, engaging experience in a relaxed and welcoming atmosphere.
- Prepared students for kindergarten through instructional activities focused on physical, mental and social development.

### EDUCATION

B.A in Psychology - August 2009(Kean University - Union, NJ )
