PROFESSIONAL SUMMARY

Passionate Pre-K Teacher with two years of experience dedicated to creating a stimulating and inclusive learning environment for children aged 3 to 5. Expert in crafting age-appropriate lesson plans that encourage curiosity and development. Committed to fostering strong relationships with families and supporting each child's unique learning journey.

WORK EXPERIENCE

Pre K Teacher 📅 Apr / 2024-Ongoing
Maple Leaf Consulting 📍 Toronto, ON

- Collaborated with parents to organize a literacy-focused book drive, fostering community engagement and promoting reading among young children.
- Ensured the safety and well-being of children through vigilant supervision and a structured classroom environment.
- Maintained strong relationships with families through regular communication and annual conferences, enhancing student support.
- Engaged children through hands-on activities and outdoor play, encouraging physical and social development.
- Worked with colleagues to brainstorm and implement creative projects that promoted teamwork and engaged students.
- Handled administrative tasks, including typing, answering phones, and organizing paperwork, to support classroom management.
- Developed children's motor skills by teaching foundational concepts such as numbers, letters, colors, and shapes in an interactive manner.

Pre K Teacher 📅 Apr / 2023-Apr / 2024
Silver Lake Enterprises 📍 Seattle, WA

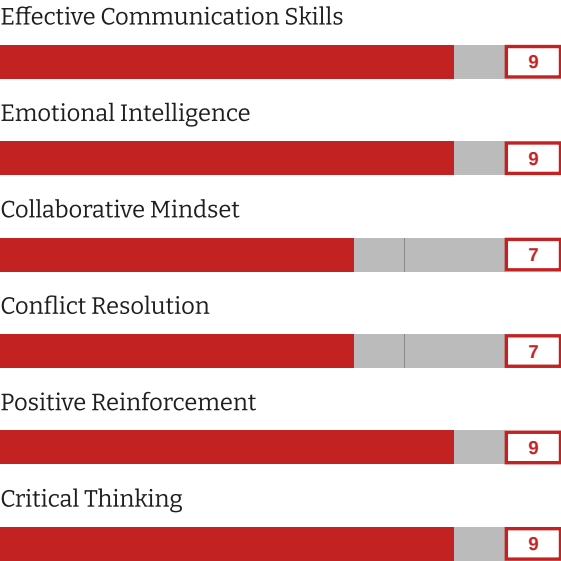

- Collaborated with an interdisciplinary team to assess children's progress and tailor learning plans to meet individual needs.
- Addressed behavioral and developmental concerns with parents and daycare staff to ensure a supportive learning environment.
- Encouraged critical thinking and problem-solving through interactive games and exploratory activities.
- Tracked students' educational progress using individualized charts, providing insights for tailored instruction.
- Designed daily outdoor exploration activities, allowing children to connect with nature and enhance their learning experience.
- Conducted home visits to strengthen relationships with families and discuss student performance.

EDUCATION

Bachelor of Science in Early Childhood Education 📅 Apr / 2022 - Apr / 2023
University of Southern California 📍 Phoenix, AZ

Focused on child development, educational psychology, and curriculum design.
