ACHIEVEMENTS

★ Reduced production lead times by 20% through streamlined scheduling.

★ Improved inventory turnover by implementing just-in-time inventory practices.

PROFESSIONAL SUMMARY

Accomplished Production Planner with a decade of extensive experience in optimizing production schedules and enhancing supply chain logistics. Expert in utilizing MRP systems for precise forecasting and resource allocation, ensuring timely delivery of high-quality products. Driven to implement innovative solutions that elevate operational efficiency and support continuous improvement initiatives.

WORK EXPERIENCE

Senior Production Planner

📅 Jan / 2019-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Skillfully negotiated contracts with vendors and suppliers to secure optimal pricing and quality for production materials.
2. Managed production schedules to ensure alignment with contract requirements, budgets, and timelines.
3. Developed strong relationships with suppliers and customers globally to enhance collaboration and efficiency.
4. Coordinated workflow across departments and factories to expedite production processes.
5. Monitored performance metrics, proactively addressing any delays impacting sales and inventory.
6. Ensured timely shipments from international vendors to distribution centers, maintaining supply chain fluidity.
7. Utilized JESTA software to maintain accurate cost records for materials, fostering strong vendor relationships.

Production Planner

📅 Jan / 2015-Jan / 2019

Lakeside Apparel Co

📍 Chicago, IL

1. Analyzed work-in-progress and quality metrics to inform production assignments that meet service level targets.
2. Oversaw shop floor data systems, generating material orders and ensuring accurate inventory tracking.
3. Collaborated in cross-functional meetings to align activities across multimillion-dollar manufacturing lines.
4. Led purchasing operations during the relocation of a major manufacturing line, ensuring minimal disruption.
5. Recognized for exceeding customer service expectations, improving overall satisfaction ratings.

EDUCATION

Bachelor of Science in Industrial Engineering

📅 Jan / 2012-Jan / 2015

University of Michigan

📍 Phoenix, AZ

Focused on production systems, supply chain management, and operations research.
