

JACKSON TURNER

Production Welder/Manager

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Accomplished Production Welder/Manager with 10 years of extensive experience in MIG, TIG, and stick welding across diverse materials. Proven ability to lead teams in high-pressure environments, ensuring adherence to quality and safety standards. Committed to optimizing production processes and fostering a culture of continuous improvement while enhancing team collaboration and efficiency.

WORK EXPERIENCE

Production Welder/Manager

📅 Jun / 2019-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Measured and ensured all metal components adhered to strict dimensional specifications.
2. Collaborated with quality assurance and engineering teams to oversee welding projects.
3. Executed all welding tasks while strictly following safety protocols and regulations.
4. Consistently met and exceeded production and quality benchmarks.
5. Maintained meticulous records of work activities and time sheets daily.
6. Operated welding equipment safely and in compliance with company policies.
7. Prepared metals for welding using bevellers, grinders, and torches.

Production Welder

📅 Jun / 2015-Jun / 2019

Silver Lake Enterprises

📍 Seattle, WA

1. Assembled and welded a 120-inch funnel, ensuring structural integrity for operational efficiency.
2. Successfully laid 14 welds, ranging from 1/2 inch to 6 inches, to attach components seamlessly.
3. Recognized for quick learning and promotion from grinder to welder within a week.
4. Increased production output significantly by providing 110% effort in welding tasks.
5. Contributed to design improvements that enhanced workflow and reduced handling times.
6. Fostered a collaborative work environment, boosting team morale and productivity.

EDUCATION

Associate of Applied Science in Welding Technology

📅 Jun / 2012 - Jun / 2015

Community College of Baltimore County

📍 Denver, CO

Comprehensive program covering advanced welding techniques, safety practices, and blueprint reading.
