PROFESSIONAL SUMMARY

Accomplished Property Specialist with 5 years of experience managing diverse property portfolios. Expertise in regulatory compliance, tenant relations, and property maintenance. Proven ability to streamline operations and enhance asset value through strategic oversight. Looking to bring my proactive approach and analytical skills to a dynamic team focused on property excellence.

WORK EXPERIENCE

Property Specialist 📅 Feb / 2021-Ongoing
Blue Sky Innovations 📍 Chicago, IL

- 1. Performed comprehensive credit and reference checks on potential renters to ensure eligibility.
- 2. Provided rental property owners with detailed summaries of applicants to facilitate informed rental decisions.
- 3. Managed maintenance requests, coordinating repairs and ensuring timely completion.
- 4. Assisted property owners and tenants with preparation and review of monthly statements.
- 5. Conducted thorough property inspections prior to tenant move-ins to ensure readiness and compliance.
- 6. Executed various administrative tasks including documentation, communication, and data entry to support office operations.
- 7. Oversaw the daily operations of the property, ensuring all aspects were managed effectively for optimal performance.

Property Specialist 📅 Feb / 2020-Feb / 2021
Cactus Creek Solutions 📍 Phoenix, AZ

- 1. Administered property control activities for government and commercial assets, ensuring compliance with regulations.
- 2. Managed property lifecycle from acquisition to disposition, maintaining accurate records and accountability.
- 3. Conducted regular audits and assessments to uphold property management standards and optimize performance.
- 4. Coordinated with government agents for compliance and oversight during property disposition activities.
- 5. Maintained the IUID Registry and supported property audits to enhance accountability and traceability.
- 6. Facilitated effective communication between stakeholders to ensure alignment with property management objectives.

EDUCATION

Bachelor of Science in Property Management 📅 Feb / 2019 - Feb / 2020
University of Real Estate 📍 Toronto, ON

Gained comprehensive knowledge in property management practices, real estate law, and financial analysis.
