ACHIEVEMENTS

- ★ Implemented a new access control system, reducing unauthorized entries by 30%.
- ★ Conducted over 200 security audits, improving compliance with safety regulations.
- ★ Trained 15 new security personnel in emergency response protocols and safety procedures.

PROFESSIONAL SUMMARY

With a decade of dedicated service as a Protective Security Officer, I excel in safeguarding assets and ensuring compliance with security protocols. My expertise includes incident response, risk assessment, and effective communication. I am passionate about creating secure environments and fostering community trust, eager to contribute my skills to a proactive security team.

WORK EXPERIENCE

Protective Security Officer II 📅 May / 2018-Ongoing
Quantum Solutions LLC 📍 Phoenix, AZ

- Administered the policies and regulations of the Federal Protective Services.
- Maintained security through vehicular and foot patrols of both interior and exterior facilities.
- Secured the building during duty hours, ensuring the safety of personnel and property.
- Communicated effectively with the control center via 2-way radio to address any arising issues.
- Protected personnel against fire, theft, injury, and vandalism through vigilant monitoring.
- Checked identification of all personnel entering and exiting the facility while monitoring fire alarm systems.
- Ensured all alarm systems and communication equipment were operational and effective.

Protective Security Officer 📅 May / 2015-May / 2018
Lakeside Apparel Co 📍 Chicago, IL

- Monitored access using X-ray machines and magnetometer detectors for personnel and parcels.
- Validated authorized access passes and temporary badges for entry.
- Assisted in the safe evacuation of buildings and secured areas during emergencies.
- Conducted thorough searches of vehicles and individuals for weapons and explosives.
- Responded promptly to all intrusion alarms, ensuring immediate action was taken.
- Provided life-saving techniques during emergencies as needed.

EDUCATION

Associate of Applied Science in Criminal Justice 📅 May / 2012 ~ May / 2015
Central Community College 📍 Phoenix, AZ

Studied the fundamentals of criminal justice, including law enforcement, security management, and emergency response.
