PROFESSIONAL SUMMARY

As a seasoned psychology professional with a decade of experience, I specialize in implementing evidence-based therapeutic interventions and conducting comprehensive psychological assessments. My expertise encompasses diverse populations, allowing me to enhance client well-being through tailored strategies. I am eager to leverage my extensive background to make a meaningful impact as a Senior Psychology Trainee.

WORK EXPERIENCE

Senior Psychology Trainee

📅 Mar / 2018-Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Maintained accurate and confidential client records.
2. Conducted individual psychotherapy sessions with children and families in clinical and educational settings.
3. Addressed complex issues including trauma, substance abuse, and behavioral challenges during therapy sessions.
4. Administered structured intake assessments and developed tailored treatment plans based on psychodynamic case formulations.
5. Trained in psychodiagnostic testing, conducting evaluations using standardized tools in school environments.
6. Co-facilitated therapeutic groups focusing on female issues, substance abuse, and life skills development.
7. Collaborated with a multidisciplinary team, including psychologists and therapists, to enhance treatment outcomes.

Psychology Trainee

📅 Mar / 2015-Mar / 2018

Lakeside Apparel Co

📍 Chicago, IL

1. Provided individual and family therapy to children with severe emotional disturbances in a structured day treatment environment.
2. Utilized various therapeutic modalities, including psychodynamic play therapy and cognitive-behavioral strategies.
3. Facilitated group therapy sessions for children and adolescents on the autism spectrum, focusing on social skills development.
4. Assisted clients in improving communication abilities and reducing repetitive behaviors through targeted interventions.
5. Participated in IEP meetings, collaborating with educational teams to tailor treatment interventions for each child.
6. Conducted family sessions to strengthen support systems around individual clients.

EDUCATION

Master of Arts in Psychology

📅 Mar / 2012-Mar / 2015

University of California, Berkeley

📍 Santa Monica, CA

Focused on clinical psychology with an emphasis on child and adolescent therapy.
