

AVA DAVIS

Quality Control Analyst

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Results-driven Quality Control Analyst with extensive experience in manufacturing environments. Expertise in developing and executing quality control plans that have led to a 25% reduction in non-conformance reports. Proficient in utilizing advanced analytical tools and methodologies to assess product quality and performance. Strong communicator with a history of training and mentoring junior staff on quality assurance practices. Recognized for fostering a culture of quality and safety, contributing to a significant decrease in workplace incidents.

WORK EXPERIENCE

Quality Control Analyst – Healthcare 📅 Dec / 2020–Ongoing
WidgetWorks Inc. 📍 Denver, CO

- 1. Led quality control initiatives for a medical device manufacturer, ensuring compliance with industry standards and regulations.
- 2. Conducted thorough testing of in-process and finished products, ensuring adherence to quality specifications.
- 3. Performed monthly inspections and audits, identifying areas for improvement and implementing corrective actions.
- 4. Provided technical support for quality control laboratories, enhancing operational efficiency and reducing cycle times.
- 5. Evaluated and troubleshooted technical issues, ensuring minimal disruption to production processes.
- 6. Collaborated with cross-functional teams to drive a culture of quality and safety within the organization.
- 7. Ensured all activities complied with current Good Manufacturing Practices (cGMP) and internal quality standards.

Quality Control Analyst 📅 Dec / 2019–Dec / 2020
Summit Peak Industries 📍 Denver, CO

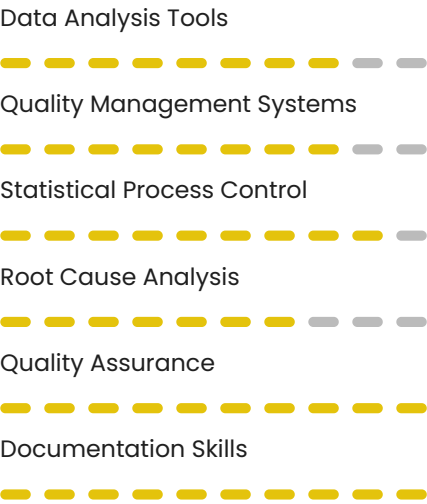

- 1. Managed daily operations of the quality control laboratory, focusing on stability studies and product testing.
- 2. Utilized statistical tools to analyze experimental data, providing insights for quality improvement.
- 3. Maintained effective communication with quality assurance and project teams to ensure alignment on quality objectives.
- 4. Implemented corrective actions based on audit findings, ensuring timely resolution and compliance.
- 5. Monitored quality metrics and performance indicators to drive continuous improvement initiatives.

EDUCATION

Bachelor of Science in Quality Assurance 📅 Dec / 2018–Dec / 2019
University of California 📍 Santa Monica, CA

Focused on quality control processes, regulatory compliance, and statistical analysis.
