

MIA TAYLOR

Rails Programmer

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Dedicated Rails Programmer with 5 years of experience in developing and deploying scalable web applications. Proficient in Ruby on Rails and front-end technologies such as HTML5 and JavaScript. Demonstrated ability to enhance application performance and user experience through efficient coding practices. Eager to contribute technical expertise to innovative projects that drive success.

WORK EXPERIENCE

Rails Programmer

WidgetWorks Inc.

📅 Feb / 2022-Ongoing
📍 Denver, CO

- 1. Gathered and analyzed requirements to create comprehensive project documentation.
- 2. Developed and deployed web applications using Ruby on Rails, MySQL, and Capistrano for streamlined deployment.
- 3. Utilized ERB, RHTML, and CSS to design responsive web interfaces.
- 4. Implemented AngularJS for dynamic single-page applications with routing and pagination.
- 5. Created and maintained modular components for reusable code.
- 6. Developed customer management and financial analysis modules to improve operational efficiency.
- 7. Enhanced application functionality by implementing object tracking using paper trail.

Ruby On Rails Developer

Cactus Creek Solutions

📅 Feb / 2020-Feb / 2022
📍 Phoenix, AZ

- 1. Collaborated with clients to manage change requests and gather requirements effectively.
- 2. Prepared detailed design documents to guide application development.
- 3. Designed and implemented new features to enhance user satisfaction.
- 4. Wrote clean, efficient, and maintainable Ruby on Rails code.
- 5. Diagnosed and resolved bugs reported by users to improve application reliability.
- 6. Participated in design sessions, contributing to product feature discussions.

EDUCATION

Bachelor of Science in Computer Science

University of Technology

📅 Feb / 2018-Feb / 2020
📍 Portland, OR

Focused on software development and web technologies, covering Ruby on Rails and modern programming languages.

SKILLS

ACHIEVEMENTS

- ★ Reduced application load time by 30% through performance optimization.
- ★ Implemented a new feature that increased user engagement by 25%.
- ★ Led a team project that successfully deployed a customer management system.
