Alabama.

### Objective

To practice dental hygiene in an environment that will continue to challenge my skills and further my knowledge in the field of dentistry.

### Skills

Dental Hygienist.

### Work Experience

#### Registered Dental Hygienist

**Dr. Richard Delson D.M.D** - May 2009 - 2019

- Provided Prophylaxis Treatment within all age populations, predominantly to geriatric patients.
- Placed sealants and delivered fluoride when needed.
- Provided thorough exams including and not limited to detecting caries, periodontal disease, oral cancers, etc.
- Implemented treatment for periodontally involved patients including scaling and root planning.
- Placement of localized sub-gingival antibiotic.
- Licensed in local infiltration and anesthesia delivery.
- Building great patient rapport leading to a high compliance with homecare management.

#### Registered Dental Hygienist

**ABC Corporation** - 2007 - 2009

- Am trained in the use of arestin and would love an opportunity to get certification in laser therapy, if the practice permits this treatment.
- Am able to effectively use all digital xray units and if called for develop the films in a timely manner.
- Am always willing to learn and in the future will pursue Mastor of Dental Hygiene at U.T. Health Science Center at San Antonio.
- Help educate patients and show them the importance of home care.
- Oral hygiene instruction is given to every patient and products are introduced to help customize the patients home care and help make brushing and flossing easier.
- Perform prophy, periodontal maintenance, Scaling and root planning, selective polishing and fluoride applications as needed..

### Education

- (Farmingdale State University)
