ACHIEVEMENTS

🌟 Implemented a patient-centered rehabilitation program, improving recovery rates by 30%.

🌟 Achieved a 95% patient satisfaction score through effective communication and personalized care.

PROFESSIONAL SUMMARY

Compassionate Trauma Rehabilitation Nurse with 7 years of experience in delivering exceptional care to patients recovering from traumatic injuries. Proficient in assessing patient needs, developing individualized rehabilitation plans, and collaborating with multidisciplinary teams to enhance recovery outcomes. I am dedicated to empowering patients through education and support, ensuring they regain independence and improve their quality of life.

WORK EXPERIENCE

Trauma Rehabilitation Nurse

📅 Mar / 2021-Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Administered medications and monitored patients' responses, ensuring adherence to treatment protocols for trauma recovery.
2. Conducted comprehensive assessments to develop and implement individualized rehabilitation plans tailored to patient needs.
3. Collaborated with physiotherapists and occupational therapists to optimize patient recovery and functional independence.
4. Educated patients and families on rehabilitation processes, fostering understanding and engagement in care.
5. Utilized electronic health records for accurate documentation of patient progress and adherence to care plans.
6. Managed wound care and pain management strategies to facilitate healing and comfort.
7. Led interdisciplinary team meetings to discuss patient progress and adjust treatment plans as necessary.

Rehabilitation Nurse

📅 Mar / 2018-Mar / 2021

Silver Lake Enterprises

📍 Seattle, WA

1. Guided patients in adapting to physical limitations and developing coping strategies for recovery.
2. Executed thorough patient assessments, including admissions, discharges, and ongoing evaluations.
3. Maintained proficiency in EMR documentation, ensuring accurate patient records and care continuity.
4. Implemented evidence-based practices to enhance patient outcomes and satisfaction.
5. Trained new staff members on rehabilitation protocols and patient care best practices.
6. Focused on seamless transitions from rehabilitation to home, ensuring continuity of care.

EDUCATION

Bachelor of Science in Nursing

📅 Mar / 2015-Mar / 2018

University of Southern California

📍 Seattle, WA

Focused on trauma and rehabilitation nursing, emphasizing patient-centered care and evidence-based practices.
