PROFESSIONAL SUMMARY

Seasoned Rehabilitation Nurse with a decade of experience in enhancing patient recovery through comprehensive, individualized care plans. Expert in collaborating with multidisciplinary teams to optimize rehabilitation outcomes, I prioritize patient education and empowerment. My commitment to fostering independence ensures each patient receives tailored support throughout their rehabilitation journey.

WORK EXPERIENCE

Rehabilitation Nurse

Mar / 2018-Ongoing

Maple Leaf Consulting

Toronto, ON

1. Provided comprehensive assessments and developed individualized rehabilitation plans for diverse patient populations.
2. Administered medications safely and effectively, adhering to established protocols.
3. Collaborated with physical and occupational therapists to enhance patient recovery outcomes.
4. Maintained patient confidentiality and adhered to ethical standards in all interactions.
5. Conducted ongoing evaluations and modified care plans based on patient progress and feedback.
6. Educated patients and families on rehabilitation processes and self-care techniques.
7. Ensured compliance with safety and infection control standards in patient care environments.

Rehabilitation Nurse

Mar / 2015-Mar / 2018

Crescent Moon Design

Portland, OR

1. Established rapport with patients, fostering a supportive environment for recovery.
2. Documented patient histories, vital signs, and treatment responses accurately in medical records.
3. Assisted in the rehabilitation of patients post-surgery, focusing on mobility and independence.
4. Provided specialized care for patients recovering from strokes, orthopedic surgeries, and traumatic injuries.
5. Administered medications and monitored patient responses to treatments.
6. Continuously assessed patient needs to identify changes in condition and adjust care plans accordingly.
