## 👤 PROFESSIONAL SUMMARY

Dynamic Lead Relief Charge Nurse with a decade of experience in optimizing patient care and leading nursing teams within high-acuity environments. Expert in operational efficiency and enhancing care standards, I excel at fostering collaboration and mentoring staff to achieve outstanding patient outcomes. My commitment to excellence drives me to innovate and implement best practices across diverse clinical settings.

## 💼 WORK EXPERIENCE

### Lead Relief Charge Nurse

📅 May / 2018-Ongoing

Seaside Innovations

📍 Santa Monica, CA

1. Conducted comprehensive physical and psycho-social assessments for diverse patient populations, including geriatrics and pediatrics.
2. Managed patients on cardiac drips, ensuring continuous monitoring and timely interventions.
3. Supervised nursing staff within the oncology department, enhancing team coordination and patient care quality.
4. Administered chemotherapy and supportive care, ensuring adherence to safety protocols.
5. Developed innovative patient support strategies during cancer treatments, resulting in improved patient outcomes.
6. Oversaw care in a 28-bed medical unit, addressing a wide range of diagnoses and patient needs.
7. Executed nursing functions, including IV medication administration and lab procedure oversight, with a focus on quality care delivery.

### Relief Charge Nurse

📅 May / 2015-May / 2018

Lakeside Apparel Co

📍 Chicago, IL

1. Provided exceptional nursing care in the Women's Health Care Unit, focusing on OB and GYN patients.
2. Collaborated with a team of RNs to uphold high standards of care in accordance with established protocols.
3. Monitored and documented patient conditions, reporting any changes to the healthcare team promptly.
4. Assisted in preparing patients for examinations and treatments, ensuring comfort and safety.
5. Served as a travel nurse, adapting quickly to new environments and patient needs.
6. Supervised pre/post-operative care for patients undergoing Cardiac-Angio stent placements.

## 🎓 EDUCATION

### Bachelor of Science in Nursing

📅 May / 2012-May / 2015

University of Health Sciences

📍 Seattle, WA
