SUMMARY

Religion Teacher is responsible for teaching, mentoring and coaching students of all faiths to help them grow as Christians, Muslims, Jews, Hindus or any other religion.

CORE COMPETENCIES

Ministry, Other Skills.

PROFESSIONAL EXPERIENCE

Religion Teacher

ABC Corporation - January 2006 – August 2008

Key Deliverables:

- Developed a curriculum that meets the needs of the students and their families.
- Provided relevant resources for parents, students and teachers.
- Provided ongoing support as needed.
- Led a team to achieve a single vision for the schools program and student experience.
- Provided opportunities for growth through experience and education.
- Built relationships with parents and staff to identify needs and provide guidance.
- Met those needs in a positive way that is appropriate to each family values, beliefs, and culture.

Religion Teacher

Delta Corporation - 2005 – 2006

Key Deliverables:

- Taught religious subjects in a school setting (including instruction, workshops, and conferences).
- Provided guidance to students while they are learning about their faith.
- Presented religious topics relating to the assigned topic at a variety of events or in a classroom setting (for example, conferences, seminars, or workshops).
- Delivered training materials that are relevant to the assigned topic (for example, lectures on religion).
- Attended meetings with parents and students regarding religious matters related to the assigned topic (for example, sessions about religion with parents).
- Maintained relationships with organizations that provide resources for teaching in the agreed upon format (for example, churches or faith based organizations).
- Developed a personal connection with students who have questions about their faith.
