👤 PROFESSIONAL SUMMARY

With a decade of experience as a Resident Care Technician, I excel in delivering compassionate, individualized care to enhance residents' quality of life. Skilled in developing and implementing personalized care plans, I prioritize effective communication and collaboration to foster a supportive environment that promotes independence and well-being for all residents.

💼 WORK EXPERIENCE

Resident Care Technician

📅 Apr / 2018-Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Maintained detailed records of patient care, conditions, and progress to ensure comprehensive support and communication with healthcare teams.
2. Assisted residents with mobility and personal care tasks, promoting dignity and independence.
3. Provided emotional support and education to residents and families regarding health management and adaptive strategies.
4. Engaged residents in activities to stimulate cognitive function and social interaction, enhancing overall well-being.
5. Ensured cleanliness and comfort of living spaces, contributing to a positive and safe environment.
6. Administered prescribed medications and monitored health status in accordance with care plans.
7. Counseled clients in individual and group sessions to address mental health and substance use challenges, fostering resilience and recovery.

Resident Care Technician

📅 Apr / 2015-Apr / 2018

Crescent Moon Design

📍 Portland, OR

1. Oversaw daily activities and routines for residents, ensuring their safety and well-being.
2. Assisted in the development and implementation of individualized care plans tailored to resident needs.
3. Monitored and reported changes in resident conditions to healthcare professionals promptly.
4. Encouraged resident participation in social and physical activities to promote engagement and health.
5. Provided training to new staff on best practices in resident care and support.
6. Collaborated with multidisciplinary teams to enhance care strategies and improve resident outcomes.

🎓 EDUCATION

Associate of Applied Science in Nursing

📅 Apr / 2012-Apr / 2015

Springfield Community College

📍 Phoenix, AZ

Focused on patient care principles and nursing practices.
