### Work Experience

#### Residential Contractor

##### ABC Corporate - 2003 - 2022

- Self employed as a residential contractor since 2003.
- Currently do remodelled and home repair as well as build from the ground up.
- Worked for construction companies that have built waste/water treatment plants such as Adams Robinson Construction, and Bell Construction which constructed federal buildings such as the prison in Glenville, WV, as well as local residential contractors building homes from the ground up.
- Experienced with previous employers, I was made lead carpenter and I supervised my crews and was always working to be on top and be the best.
- Gave 100% of myself on every job that I perform; whether it be as an employee of a company, a contractor on a job of my own or simply on all of the work that I do at my own home.
- Built on a strong foundation of ensuring quality delivery of utility-sponsored energy efficiency services to residential customers, Abode is currently expanding its product/service offerings to help customers and contractors move forward on a more holistic range of decarbonization strategies, including heat pumps.
- Engaged with heat pump manufacturers, distributors, and contractors.

#### Residential Contractor

##### Delta Corporation - 2000 - 2000

- Resolve customer issues created by original contractors Prepare and submit monthly customer care reports Coordinate Crews and installs from start to .
- As a contractor, we did it all in the mine, except mine coal.
