## PROFESSIONAL SUMMARY

Accomplished Residential Electrician with 7 years of proficient experience in residential electrical systems. Expertise in installation, maintenance, and troubleshooting while ensuring compliance with safety regulations. Known for delivering effective solutions and fostering strong client relationships, I am dedicated to enhancing electrical systems for optimal performance and customer satisfaction.

## WORK EXPERIENCE

**Lead Residential electrician** 📅 Jan / 2020–Ongoing  
**WidgetWorks Inc.** 📍 Denver, CO

1. Ensured compliance with NEC and local electrical codes.
2. Ensured compliance with local electrical codes and safety standards during all installations.
3. Conducted thorough inspections to identify and troubleshoot electrical issues effectively.
4. Collaborated closely with homeowners to customize electrical solutions that meet their specific needs.
5. Managed inventory and stocked work vehicles with necessary materials for efficient project execution.
6. Executed wiring installations from rough-in to finish, ensuring timely completion of projects.
7. Maintained a clean and organized work environment to promote safety and efficiency on job sites.

**Residential Electrician** 📅 Jan / 2018–Jan / 2020  
**Cactus Creek Solutions** 📍 Phoenix, AZ

1. Coordinated electrical rewiring and installation for new and existing homes, ensuring compliance with updated codes.
2. Interpreted blueprints and specifications to accurately execute electrical installations.
3. Diagnosed and repaired faulty electrical systems, enhancing overall safety and reliability.
4. Scheduled and facilitated inspections for completed electrical work in collaboration with city officials.
5. Provided detailed project estimates and material costs to contractors and clients for transparency.

## EDUCATION

**Diploma in Electrical Technology** 📅 Jan / 2016–Jan / 2018  
**City Technical Institute** 📍 Denver, CO

Completed comprehensive training in residential electrical systems, code compliance, and safety protocols.
