### PROFESSIONAL SUMMARY

With a decade of experience as a Residential Treatment Specialist, I excel in providing comprehensive support to youth facing emotional and behavioral challenges. My expertise encompasses crisis intervention, therapeutic communication, and skill-building strategies that promote resilience. I am dedicated to fostering a nurturing environment that empowers adolescents to achieve their personal growth and emotional well-being.

### WORK EXPERIENCE

#### Residential Treatment Specialist

Pineapple Enterprises

📅 Mar / 2018-Ongoing

📍 Santa Monica, CA

1. Provided direct care and support to residents in a therapeutic environment.
2. Provided general supervision of residents, teaching essential daily living and social skills while implementing structured schedules.
3. Maintained accurate documentation of residents' behaviors and progress while overseeing their daily living activities.
4. Engaged in ethical and professional conduct in interactions with residents, families, and colleagues, fostering a supportive environment.
5. Supervised and monitored residents' activities, ensuring their safety and adherence to treatment protocols.
6. Participated in ongoing training to remain updated on best practices in residential treatment and child development.
7. Collaborated with multidisciplinary teams to understand treatment goals and effectively contribute to the residential treatment process.

#### Residential Treatment Specialist

Silver Lake Enterprises

📅 Mar / 2015-Mar / 2018

📍 Seattle, WA

1. Facilitated group counseling sessions to assist clients in overcoming dependencies and adjusting to life changes.
2. Guided clients in developing coping strategies and problem-solving skills tailored to their individual needs.
3. Completed comprehensive client documentation, including progress notes and treatment plans, in compliance with regulatory requirements.
4. Implemented evidence-based treatment plans based on clinical insights and individual client assessments.
