#### Respite Worker

ABC Corporation - 2002 - 2007

- I was assigned to go work with people of all ages with mental illnesses.
- Would take them out to the stores or any places that they wanted to go so they could enjoy society like people without illnesses.
- Would visit some days and just spend time talking with them or doing something simple in the home.
- This helped me appreciate what I have, and I had great time working with the people I worked with.
- This job also taught me a lot of responsibility.
- Had to watch after these people and make sure they made it to each destination safely..
