WORK EXPERIENCE

RN Weekend Supervisor

📅 Jun / 2022-Ongoing

Maple Leaf Consulting

📍 Toronto, ON

1. Educated staff on healthcare issues and provided essential health education to patients.
2. Addressed staff punctuality and communicated compliance expectations effectively.
3. Administered medications and monitored patient responses.
4. Created a compassionate environment by offering emotional and psychological support to patients and families.
5. Promoted patient independence by establishing care goals and reinforcing understanding of self-care.
6. Provided wound care, documenting appearance and signs of infection accurately.
7. Collaborated with multidisciplinary teams to optimize patient outcomes.

RN Weekend Supervisor

📅 Jun / 2020-Jun / 2022

Cactus Creek Solutions

📍 Phoenix, AZ

1. Supervised weekend staff, ensuring quality care for residents in a 150-bed facility.
2. Fostered a positive work environment that promoted staff morale and patient satisfaction.
3. Utilized strong communication skills to liaise between families, doctors, and staff.
4. Conducted assessments and evaluations of geriatric patients, ensuring comprehensive care.
5. Managed medication administration and documentation, ensuring compliance with healthcare standards.
6. Led weekend operations, overseeing the care provided by RNs, LPNs, and CNAs.

EDUCATION

Bachelor of Science in Nursing

📅 Jun / 2018-Jun / 2020

University of Health Sciences

📍 Toronto, ON

Completed comprehensive nursing education with hands-on clinical experience.
