ACHIEVEMENTS

★ Reduced workplace incidents by 30% through the implementation of a comprehensive safety training program.

★ Successfully led safety audits resulting in 100% compliance with OSHA standards across multiple projects.

PROFESSIONAL SUMMARY

Safety Officer with 5 years of experience dedicated to elevating workplace safety through strategic risk management and compliance initiatives. Proficient in leading safety training, conducting thorough inspections, and ensuring strict adherence to OSHA standards. Passionate about fostering a culture of safety and continuous improvement to minimize incidents and enhance overall organizational health.

WORK EXPERIENCE

Safety Officer - Safety Lead

📅 Apr / 2021-Ongoing

Seaside Innovations

📍 Santa Monica, CA

1. Secured necessary permits and documentation such as Pre-Task Planning and Permit to Work for assigned projects.
2. Compiled and submitted Safety Man Hours Summary, Safety statistics, and Bi-Weekly Activity Reports while attending Safety Coordination Meetings.
3. Oversaw a workforce of 150, managing hiring, performance reviews, training, and daily supervision.
4. Enhanced employee productivity by identifying and mitigating workplace hazards effectively.
5. Fostered a positive work environment by understanding team dynamics and addressing individual needs.
6. Conducted audits and enforced safety protocols to ensure compliance.
7. Delivered training sessions to meet and exceed company safety standards.

Safety Lead

📅 Apr / 2020-Apr / 2021

Summit Peak Industries

📍 Denver, CO

1. Supervised all safety precautions during the installation of wastewater treatment systems.
2. Instructed personnel on the correct use of safety harnesses and lifelines.
3. Performed inspections on electrical circuits, ensuring compliance and tagging for monthly reviews.
4. Facilitated Tool Box Meetings to educate workers on health and safety practices.
5. Advised management on changes in HSE legislation and evaluated new working methods from a safety perspective.
6. Investigated accidents and dangerous occurrences, providing recommendations to prevent recurrence.

EDUCATION

Bachelor of Science in Occupational Safety

📅 Apr / 2019-Apr / 2020

University of Safety Management

📍 Seattle, WA

Focused on risk management, safety regulations, and workplace health.
