# BENJAMIN LEE

## SAP BI Consultant

✉ support@qwikresume.com  📞 (123) 456 7899  📍 Los Angeles  🌐 www.qwikresume.com

## PROFESSIONAL SUMMARY

Dynamic SAP BI Consultant with 5 years of specialized experience in SAP BI/BW, focusing on data modeling, ETL processes, and actionable reporting. Skilled in translating complex data into strategic insights that drive business outcomes. Ready to utilize my expertise to enhance data-driven decision-making and contribute to impactful SAP implementations.

## WORK EXPERIENCE

### SAP BI Consultant
**Quantum Solutions LLC**

📅 Mar / 2022-Ongoing
📍 Phoenix, AZ

1. Gathered and analyzed client requirements to develop tailored SAP BI solutions.
2. Facilitated team meetings with business analysts to refine business requirements and enhance content delivery.
3. Collaborated with business process owners to ensure comprehensive understanding of project needs and maintained regular status updates.
4. Designed robust technical specifications for data modeling and reporting.
5. Extracted data from ECC to BW and integrated with SQL systems for enhanced analytics.
6. Enhanced master data by adding new attributes to meet evolving business requirements.
7. Modified existing data attributes to improve data accuracy in planning books.

### Sap Bi Consultant
**Summit Peak Industries**

📅 Mar / 2020-Mar / 2022
📍 Denver, CO

1. Executed full-cycle implementations of SAP BI 7.1 and 7.3, covering requirement gathering to go-live phases.
2. Collaborated with functional teams to gather essential data for client requirements.
3. Organized team meetings to design specifications aligned with client business needs.
4. Conducted requirement analysis and activated necessary business content for user needs.
5. Managed data modeling, extraction, transformation, and job scheduling to ensure smooth data operations.
6. Extracted and analyzed data from SD, CO-PA, and vendor modules in BI to support strategic insights.

## EDUCATION

### Bachelor of Science in Information Technology
**University of California**

📅 Mar / 2018 - Mar / 2020
📍 Phoenix, AZ

Focused on data management and business intelligence systems.
