PROFESSIONAL SUMMARY

A motivated SAP Security Analyst with 5 years of experience in safeguarding SAP environments through strategic security measures. Skilled in GRC implementation, user access management, and compliance strategies, I have successfully reduced risks and enhanced system integrity. My focus on continuous improvement and collaboration drives effective security solutions that protect vital business assets.

WORK EXPERIENCE

Sap Security Analyst II

📅 Jan / 2021-Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Conducted security awareness training for SAP users and stakeholders.
2. Collaborated with auditors to facilitate SAP security audits and assessments.
3. Enhanced Access Risk Analysis with centralized Emergency Access Firefighter configuration and workflow adjustments.
4. Managed CUA administration and maintenance effectively.
5. Created business roles and facilitated role uploads through role import processes.
6. Conducted authorization object creation and maintenance for BI/BW analysis.
7. Utilized Info Steward and ARM for standalone application management.

Sap Security Analyst

📅 Jan / 2020-Jan / 2021

Cactus Creek Solutions

📍 Phoenix, AZ

1. Collaborated with functional teams to develop new roles and authorizations based on business needs.
2. Designed security roles for MM, SD, and FI modules for multiple deployments.
3. Led EHP upgrades for SAP ECC and BI, ensuring minimal disruption.
4. Identified and addressed roles impacted by upgrades to maintain authorization integrity.
5. Worked with business analysts to eliminate segregation of duties (SoD) conflicts using GRC tools.

EDUCATION

Bachelor of Science in Information Technology

📅 Jan / 2019 Jan / 2020

University of California, Berkeley

📍 Toronto, ON

Focused on cybersecurity and enterprise systems management.
