

SOPHIA BROWN

SAP Technical Lead

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Innovative SAP Technical Lead with 2 years of focused experience in developing and implementing SAP solutions. Adept at leveraging ABAP programming and integration methodologies to enhance system functionalities. Committed to delivering high-quality technical support and fostering collaboration between onshore and offshore teams to drive project success.

WORK EXPERIENCE

SAP Technical Lead

📅 Mar / 2024-Ongoing

WidgetWorks Inc.

📍 Denver, CO

1. Created advanced reports to analyze company sales across various parameters, enhancing decision-making processes.
2. Implemented BAPI_MATERIAL_SAVEDATA for efficient material creation, streamlining inventory management.
3. Developed comprehensive aging reports for vendors and customers, improving financial oversight.
4. Engineered a custom RFC to facilitate pricing data transfer, optimizing external application interactions.
5. Modified IDocs for sales processing requirements, ensuring compliance with business needs.
6. Played a key role in the SRM and ESSMSS implementation at Surrey County Council, enhancing procurement efficiency.
7. Coordinated effectively with offshore teams to troubleshoot and resolve technical issues, ensuring project timelines were met.

SAP Technical Lead

📅 Mar / 2023-Mar / 2024

Summit Peak Industries

📍 Denver, CO

1. Developed alerts, dashboards, and KPI reports for the chemical industry client (Dunn Edwards), enhancing operational visibility.
2. Collaborated with functional consultants to align SAP development with business processes.
3. Provided technical solutions to user concerns raised during workshops, improving user satisfaction.
4. Recommended performance improvements for ABAP code design, leading to increased system efficiency.
5. Documented technical designs for SAP objects, facilitating knowledge transfer and future developments.
6. Created comprehensive unit testing documentation in the development environment for rigorous quality assurance.

EDUCATION

Bachelor of Science in Computer Science

📅 Mar / 2022 - Mar / 2023

University of California

📍 Denver, CO

Focused on software development and systems analysis, with coursework in SAP technologies.
