PROFESSIONAL SUMMARY

Talented Satellite Technician with 2 years of specialized experience in the installation and maintenance of satellite communication systems. Adept at troubleshooting complex technical issues while ensuring exceptional customer service and satisfaction. Eager to apply my skills to enhance system performance and contribute to operational excellence in satellite technology.

WORK EXPERIENCE

Satellite Technician Mar / 2024-Ongoing
Maple Leaf Consulting Toronto, ON

- 1. Conducted thorough inspections of residential and commercial sites to determine installation requirements and optimal satellite dish placement.
- 2. Configured and tested devices post-installation, ensuring optimal performance and troubleshooting any issues.
- 3. Promoted company services effectively, resulting in increased sales of additional products and installation points.
- 4. Managed inventory of tools, equipment, and supplies to ensure readiness for installations.
- 5. Addressed and resolved an average of 15 technical inquiries per day, providing timely support to customers.
- 6. Oversaw equipment returns, meticulously logging each item for accurate inventory management.
- 7. Executed installation tasks, including drilling, cabling, and wiring for seamless connectivity.

Satellite Technician Mar / 2023-Mar / 2024
Summit Peak Industries Denver, CO

- 1. Served as an authorized sub-contractor for DirecTV, delivering top-tier customer service to clients in Southern Maryland.
- 2. Executed installations and maintenance of satellite television systems, ensuring customer satisfaction and system reliability.
- 3. Coordinated installation schedules with clients, evaluating locations and preparing equipment layouts for efficiency.
- 4. Verified system functionality and provided comprehensive guidance on equipment usage to customers.
- 5. Maintained accurate records of all installations and repairs, ensuring reliable inventory management.

EDUCATION

Associate of Applied Science in Electronics Mar / 2022 Mar / 2023
