### PROFESSIONAL SUMMARY

With a decade of experience as a School Psychologist, I specialize in enhancing student mental health and academic success through comprehensive assessments and tailored interventions. My commitment to collaboration with families, educators, and community resources fosters inclusive environments that support diverse student needs and promote overall well-being.

### WORK EXPERIENCE

School Psychologist Jan / 2019- Ongoing  
WidgetWorks Inc. Denver, CO

1. Conduct comprehensive psychological assessments for students referred to special education, ensuring accurate identification of needs.
2. Provide individual and group counseling services to support emotional and behavioral development.
3. Interpret academic assessments and intelligence testing results to inform intervention strategies.
4. Lead Individualized Education Plan meetings, collaborating with parents and educators to develop tailored educational strategies.
5. Collaborate with external mental health agencies for student support.
6. Consult with teachers to provide problem-solving recommendations for classroom challenges.
7. Conduct professional development workshops for school staff on effective strategies for student support.

School Psychologist Jan / 2015- Jan / 2019  
Crescent Moon Design Portland, OR

1. Moravia, NY.
2. Conducted psycho-educational assessments at the CSE and pre-referral levels for elementary students.
