👤 PROFESSIONAL SUMMARY

With a decade of expertise in compensation analysis, I specialize in designing competitive pay structures that align with organizational goals. My proficiency in market analysis, compliance, and data-driven decision-making enables me to enhance employee engagement and retention. I am committed to leveraging strategic insights to drive impactful compensation solutions that support overall business success.

🖥 WORK EXPERIENCE

Senior Compensation Analyst
Seaside Innovations

📅 Feb / 2018-Ongoing
📍 Santa Monica, CA

1. Provided strategic compensation policy guidance to seven business units, ensuring alignment with organizational objectives.
2. Analyzed and graded jobs, established job ladders, and assessed salary increase requests for adherence to policies and legal standards.
3. Delivered data analysis for a major salary compression issue affecting over 5,000 employees, recommending corrective actions.
4. Coordinated the efforts of 25 personnel to ensure timely and accurate execution of compensation changes and statements.
5. Developed tools to facilitate performance appraisal notifications, enhancing manager engagement in the appraisal process.
6. Achieved a 95% reduction in late submission rates for performance evaluations through targeted process improvements.
7. Created educational resources and conducted formal training sessions to enhance compensation-related knowledge across the organization.

Senior Compensation Analyst
Cactus Creek Solutions

📅 Feb / 2015-Feb / 2018
📍 Phoenix, AZ

1. Managed domestic compensation department activities, focusing on strategic planning and analysis.
2. Played a key role in the implementation of the Hay job evaluation system to enhance job classification accuracy.
3. Performed ROI and cost-benefit analyses to inform compensation-related decisions.
4. Led user acceptance testing for multiple compensation applications, ensuring functionality meets business needs.
5. Provided compensation recommendations for various levels, including experienced professionals and interns.
