Objective

Creative, hands on professional in graphic design, project management and art direction. I have worked for some of the best and largest advertising agencies and design firms in the country over the past 35 years and have managed time well in fiercely competitive, fast-paced environments while experiencing success within a wide range of individual and team oriented situations. I have experience in just about every aspect there is as a freelance graphic designer.

Skills

Graphic Design.

Work Experience

Junior/Senior Graphic Designer

ABC Corporation - January 2013 – August 2015

- Defined corporate identity, including all subdepartments and seven restaurants, consisting of logo development, packaging, marketing collateral, event posters, sale flyers, interior designs and installations, window and wall graphics, menus, etc.
- Manage the team of market sign makers to ensure consistent brand identity throughout.
- Assist in the opening of all new locations.
- Work closely with printers to maintain our high standard of printed collateral and interior signage, POS displays, and packaging.
- Design and create all packaging concepts from start to completion, including all marketing collateral.
- Design lighting displays and work closely with architects for new additions.
- Food styling and photography for seven restaurant locations, plus all chef- prepared market products.

Senior Graphic Designer

Grapegrafix - 2009 – 2013

- Tujunga, CA Job description / Graphic and advertising design + digital illustrations As a graphic designer I am responsible for creating design solutions that have a high visual impact.
- The major part of my job requires me to listen to my diverse clients and understand their needs before making any decisions.
- My designs are required for a huge variety of products and activities, such as websites, advertising, books, magazines, posters, computer games, product packaging, exhibitions and displays, corporate communications and corporate identity, i.e.
- giving organizations a visual brand.
- As a professional graphic designer I also constantly am in contact with creative directors and major corporation account managers.
- Have been developing creative ideas concepts, and choosing the appropriate media and style to meet all my clients objectives.
- My work demands creative flair, up-to-date knowledge of industry software and a professional approach to time, costs and deadlines..
