PROFESSIONAL SUMMARY

Accomplished Senior UI Developer with 10 years of extensive experience in creating high-performance web applications. Expert in utilizing modern frameworks like Angular, React, and Bootstrap to deliver responsive, user-centric designs while ensuring optimal accessibility and cross-browser compatibility. Passionate about driving innovative solutions that enhance user engagement and streamline development processes.

WORK EXPERIENCE

Senior Ui Developer
📅 May / 2018-Ongoing
WidgetWorks Inc.
📍 Denver, CO

1. Engineered comprehensive web solutions for credit card processing and E-commerce hosting services.
2. Developed a robust web application to manage sales, transactions, and inventory for diverse clients, enhancing operational efficiency.
3. Collaborated closely with business analysts to gather requirements and ensure the development of optimal UI modules.
4. Utilized Angular framework to construct dynamic, data-driven applications with a focus on MVC architecture.
5. Designed responsive interfaces using Bootstrap, ensuring seamless performance across mobile, tablet, and desktop devices.
6. Evaluated and selected appropriate frameworks, including Angular and Backbone, to meet project goals effectively.
7. Created proof-of-concept applications to demonstrate the capabilities of emerging technologies.

Lead Senior Ui Developer
📅 May / 2015-May / 2018
**Lakeside Apparel Co**
📍 Chicago, IL

1. Served as a key member of the front-end development team, driving innovation in user interface design.
2. Developed high-quality JavaScript solutions for various projects, primarily leveraging Angular.
3. Designed mobile applications using PhoneGap, enhancing client engagement through mobile platforms.
4. Collaborated with cross-functional teams to integrate banking solutions into a global platform.
5. Contributed to product innovation initiatives focused on developing banking software for new markets.
6. Transformed prototypes into fully functional applications using HTML5, CSS3, and JavaScript, ensuring optimal user experience.

EDUCATION

Bachelor of Science in Computer Science
📅 May / 2012-May / 2015
University of California
📍 Phoenix, AZ

Focused on software development, web technologies, and user experience design.

SKILLS

Graphql

Backbone.js

Debugging Skills

Semantic Html

Task Automation

Microservices Architecture

INTERESTS

- Scuba Diving
- E-sports
- Reading Fiction
